Aims and Main Topics. Registration Fees

Aims

The organization of a scientific and technical forum on the occasion of the 70th anniversary of the UACEG's Faculty of Hydraulic Engineering aims to gather and meet scientists in the field of water engineering, water management and environmental protection.

By presenting the latest trends in these areas of work and research, by sharing knowledge and achievements, ideas and visions for the development of the water sector, we aim to highlight the importance of water issues, to promote the role and activity of hydraulic engineers and to contribute to the formation of new guidelines for scientific and applied research in the different thematic areas.

Main Topics

- Water Supply, Sanitation, Water and Wastewater Treatment
- Hydraulic Engineering
- Irrigation and Drainage
- Hydraulics, Hydrology and Water Resources Management
- Mechanics
- Physics

Official languages – Bulgarian and English.

Registration Fees

- | | |
|--|---------|
| 1. Students and PhD students | – free |
| 2. Participants | – 25 € |
| 3. Paper publishing without conference participation | – 50 €. |

The registration fee includes: presentation of a report, participation in scientific sessions and discussions, a set of conference materials, coffee and soft drinks during coffee breaks, official dinner, conference proceedings, paper publishing (after peer review).

The registration fees do not include accommodation and meals.

Participating PhD students must provide proof of their status upon registration.

Registration fees are transferred to the conference bank account announced at the official website of the conference, after confirmation of report acceptance.

Report Requirements and Publishing. Deadlines

Report and Abstract Requirements

Abstracts

Written in English, formatted according to the template available on the official website of the conference. The volume should not exceed 10 lines, font Times New Roman, size 10 pt.

Reports

The report presentation should not take more than 15 minutes.

Papers

The formatting instructions and a template are available at the website of the [Annual of UACEG](#). The paper volume should not exceed 8 pages, incl. tables, figures and references. Tables and figures should be placed at appropriate place within the text.

Publishing

All abstracts are evaluated for compliance with the conference topics, reviewed and if approved, they will be published in conference proceedings.

The full text papers submitted for publishing undergo the usual peer review procedure of the Annual of UACEG. The accepted papers will be published in 2020 in a special issue dedicated to the conference.

Deadlines

|-----------------------------|----------------------------------|
| September 15, 2019 | – Abstract submission |
| September 23, 2019 | – Abstract and report acceptance |
| September 30, 2019 | – Registration and fee payment |
| November 07-08, 2019 | – Conference days |
| December 30, 2019 | – Paper full text submission |

Accommodation and Transport

A list of recommended hotels will be published on the conference official website.

Sofia Airport (Terminal 2) is connected with the public transport via metro and bus.

We suggest you to accommodate in hotels nearby UACEG or to use metro or taxi to reach UACEG. It is located in the city center, so the parking places are scarce and traffic jams are usual in rush hours.
