Welcome to WMHE2019

The Faculty of Civil Engineering of the University of Ss. Cyril and Methodius in Skopje, Macedonia, is organizing the 16th International Symposium on Water Management and Hydraulic Engineering (WMHE2019). It is our pleasure to invite all researchers, engineers and professionals working in water management and hydraulic engineering to contribute on a wide range of topics. The symposium will take place on September 5-7, 2019 at the Hotel Aleksandar Palace in Skopje.

The original bilateral symposium between civil engineering faculties of Gdansk University of Technology (Poland) and University of Zagreb (Croatia) has been spread to partner universities: Slovak University of Technology in Bratislava, Ss. Cyril and Methodius University in Skopje (Macedonia), University of Natural Resources and Applied Life Sciences in Vienna (Austria) as well as Brno University of Technology (Czech Republic).

Call for abstracts and papers

The meeting is an opportunity to present the last results of research on the broad range of water management topics. Experts are invited to share experience with researchers.

All authors are invited to send abstracts. Accepted abstracts will be published in Book of Abstracts.

Authors have opportunity to send full manuscripts. Selected full manuscripts will be peer reviewed for publication in the symposium proceedings.
