

INVITATION

DEAR COLLEAGUES,

It is a great pleasure to invite and welcome you to the Session for Youth Students and Professionals in Water Engineering, which will be held on the occasion of the celebrations of the World Water Day on 26th of March 2020 in Sofia!

The Session for Youth Students and Professionals in Water Engineering is organized for a third time. It has gained growing interest and participation. The Session is attended by MSc students, PhD students, young researchers, recently graduated engineers, etc. – all young people, who are actively looking for sharing their ideas, knowledge and experience in the research or in the applied filed of the water engineering.

The Session is organized and hosted by the Faculty of Hydraulic Engineering of the University of Architecture, Civil Engineering and Geodesy (UACEG).

TOPICS

- Water Supply & Sewerage Systems;
- Water & Wastewater Treatment;
- Waste & Sewer Sludge Management;
- Ecology & Environment Protection;
- Irrigation & Drainage Systems;
- Flood & Drought Mitigation;
- Hydraulic Structures and Hydropower Systems;
- Water Management;
- Hydraulics and Hydrology.

VENUE AND DATE

The event will take place on the 26th of March 2018 in the conference hall of the Faculty of Hydraulic Engineering at UACEG (Sofia, 1 Hristo Smirnenski Blvd, building A, room 205).

REGISTRATION FOR PARTICIPATION

The titles of the presentations should be sent to:

e-mail: conference.fhe@gmail.com
ntsvd@abv.bg

DEADLINE

13.03.2020

PUBLICATIONS

All presentations will be uploaded in the web site of the UACEG. There is possibility for publication of papers in the Annual of the UACEG or in the journal "Water affairs", if the full texts are prepared according to the required formatting and the peer-review is positive.

COSTS

All costs for the meeting will be covered by the host, UACEG. The participants should cover their travel and accommodation expenses.

CONTACTS

For additional information, please, contact Eng. Borislav Indzhov, bindjov4525@abv.bg, conference.fhe@gmail.com
