

International conference

UKRAINIAN ARCHITECTURAL AVANT-GARDE – STUDIES AND PROTECTION

Kharkov, 1-3 February 2012

SITUATION. In Ukrainian cities – Kharkov, Lvov, Kiev, Zaporozhye, Dnepropetrovsk and in many others – the outstanding monuments of the modernist architecture and urban planning are situated. Not all of them are discovered and even fewer are properly studied and documented. Researchers and restorers of the Modern Movement architecture creations have a vast field of activity in our country.
