

Poštovani,

Sa posebnim zadovoljstvom vas obavještavamo da NIA - Udruženje za istraživanje, edukaciju i razvoj započinje pripremu trećeg broja naučno-stručnog časopisa Techno Science.

Časopis objavljuje originalne naučne radove, pregledne i stručne radove iz oblasti tehničkih nauka bez ograničenja na posebne oblasti i grane. Cilj časopisa je postizanje najviših akademskih standarda i praćenja tokova savremene tehnologije i potreba društva na globalnom, međunarodnom nivou.

Pozivamo vas da svoje ideje podijelite sa nama i dostavite nam svoje radove kako bismo ih objavili u trećem broju časopisa. Rok za dostavljanje radova je 30.4.2017. godine.

U prilogu se nalazi Poziv za dostavljanje radova na B/H/S jeziku i engleskom jeziku. Bili bismo vam zahvalni ukoliko biste ovaj dopis prosljedili vašim saradnicima.

Unaprijed se radujemo uspostavljanju saradnje s vama.

Dear Sir/Madam,

We are pleased to inform you that NIA - The Association for Research, Education and Development has started the preparation for the third issue of the scientific journal Techno Science.

The journal publishes original scientific, review and professional papers in the field of technical sciences without any limitation to special areas and branches. The journal's aim is to achieve the highest academic standards and monitor flows of modern technology, as well as the society's needs at the global, international level.

We are inviting you to share your ideas with us and send us your papers for publishing in the third issue of Techno Science. The deadline for submission is 30.4.2017.

Both Bosnian/Serbian/Croatian and English versions of the Call for submissions are in the attachment. We would be very grateful if you would forward this Call to your colleagues and co-workers.

We are looking forward to working with you.
