

28. Jun traži stažiste za Misiju Ujedinjenih nacija u Njujorku, Ženevi i Beču

Prošle nedelje 28. Jun je postao prva humanitarna organizacija sa Zapadnog Balkana koja je pristupila Asocijaciji Ujedinjenih nacija - odboru za svetske komunikacije. Članstvo pokazuje odanost 28. Juna širenju ideja i svesti o ulozi i uticaju Ujedinjenih nacija u rešavanju svetskih problema.

Članstvo znači da će 28. Jun imati dodatnih 6 propusnica svake godine za pristup UN-u u Njujorku. Sa 28. Junom i konsultativnim statusom u UN-u od 2018. godine, sada će 27 ljudi moći da pristupi sedištima UN-a u svetu. Planiramo da iskoristimo naš dodatni uticaj kako bi pojačali naše krilo - 28. Jun Global. Zbog toga što funkcionišemo u delovima regiona gde srpska populacija nailazi na kršenje osnovnih ljudskih prava - strategije zagovaranja, informisanja i uticanja na odluke kao one u UN-u su od izuzetne važnosti.

Imamo nekoliko pozicija u Njujorku, Ženevi i Beču - ako gradite karijeru u internacionalnim odnosima i humanitarnom radu, molimo vas da pošaljete vaš CV i kratko pismo zašto bi voleli da se priključite na global@28jun.org. Takođe, pridružite se našoj LinkedIn grupi kako bi pratili nove prilike u 28. We're Looking For United Nations Interns in New York, Geneva, Vienna

Last week 28. Jun became the first humanitarian organization operating in the Western Balkans to be approved for Association with the United Nations Department of Global Communications. The association constitutes a commitment from 28. Jun to disseminate information and raise public awareness about the purposes and activities of the United Nations and issues of global concern.

The association also means 28. Jun will receive an additional six grounds passes each year to enter the UN Headquarters in New York. With 28. Jun already being in Special Consultative Status with the United Nations since 2018, it will bring the total amount of annual passes at our disposal to 27. We plan to utilize the additional influence to intensify efforts by our advocacy wing — 28. Jun Global. Because we operate in areas where Serbian populations face routine violations of fundamental human needs — advocacy strategies to alert, inform, and influence decision-makers via international bodies, like the UN, are necessary.

We have several openings in New York, Geneva and Vienna — if you have a background in international relations and humanitarian work please send an email to global@28jun.org with a brief letter on why you think you'd be a good fit and your CV. Also join our group on LinkedIn to stay up to date on any additional opportunities: <https://www.linkedin.com/company/28-jun>
