

## AJKTM 2019 | How Strong is the Bridge?! 2019

### 10th international spaghetti bridge competition

We invite you to 10. International competition How Strong is the Bridge?! 2019, to be held from 6. to 8. May 2019 in the Borut Pečenko Hall (Faculty of Civil Engineering, Transportation Engineering and Architecture, University of Maribor, Smetanova ulica 17, Slovenia).

AJKTM 2019 is a great opportunity for students of Civil Engineering, Architecture, Mechanical Engineering or other technical sciences (other students are also welcome) to test their skills and knowledge in competitive yet friendly and fun atmosphere. Competition is known as the biggest of a kind in this part of Europe. Winning teams will receive considerable monetary prizes.

#### Bearing capacity:

- 1st place – 1000 EUR
- 2nd place – 600 EUR
- 3rd place – 300 EUR

#### Design:

- 1st place – 300 EUR

AJKTM 2019 is not only about competition. During three days in Maribor a lot of different social and cultural events are planned as well. Food and accommodation will be provided for all the participating teams. For more information see [ajktm.fg.um.si](http://ajktm.fg.um.si).
