

Dear colleague,

Faculty of Civil Engineering, University of Montenegro, in cooperation with NGO “Građevinarstvo – nauka i praksa – GNP”, organises the 7th International Conference “Civil Engineering – Science and Practice”, GNP 2020, in Kolašin, Montenegro, 10-14 March 2020.

One-day special session “Project management trends in civil engineering – theory and practice”, co-organised by NGO “Montenegrin Project Management Association – MPMA”, is scheduled for 13 March 2020.

We are delighted to invite you to submit papers. Your participation will be our honour and pleasure.

Detailed information as well as new updates and announcements might be found at www.gnp.ucg.ac.me and <https://www.facebook.com/GNP-Gradjevinarstvo-nauka-i-praksa-555696571175609>.

NEW – online submission prolonged by the end January 2020!

Please, use link <http://radovi.gnp.ucg.ac.me/prijava.php>. It is under “SUBMIT PAPER” in the section “SUBMIT PAPER” (https://www.gnp.ucg.ac.me/?page_id=35) of the conference web site (www.gnp.ucg.ac.me).

We would kindly ask you to share this information with your colleagues who might be interested in submitting papers and/or attending the conference.

Please, do not hesitate to contact us for additional explanations.
