ICUP2025, in its fifth edition, represents a significant milestone as a Jubilee Conference. We are privileged to announce that distinguished scientists, researchers, and professionals are cordially invited to converge and exchange research and insights. Apart from the main Conference scheduled for April 10, 2025, a series of accompanying events, including lectures and workshops, will start from November 10, 2024. Over five months, an array of events are scheduled. Your participation would be greatly appreciated, and we eagerly anticipate your presence.

This year we would like to again bring together people from all parts of the world, and it would be our great pleasure if you would be able to participate. Please do not hesitate to contact us about any questions you might have. Looking forward to seeing you in Niš!

Kind regards,
ICUP 2025 Organizing Committee
